### ③ BLOCKED ACCOUNT – to be done before visa application

All foreign students from non-EU countries are required to meet their own living costs when studying in Germany. In order to enter Germany, non-EU students also need a valid visa. This can only be issued once the student has deposited a specified amount of money in a German bank account (e.g. with Deutsche Bank) and blocked this sum with the Federal Republic of Germany as beneficiary.

**Amount to be deposited is €8040.00 (plus €50 for processing fee)**

Please go to this website for further details
