INTERNATIONAL TRAINING PROGRAMS

At the international level, TED has extended the In-service program to teaching personnel from Aceh in 2009 and 2010. A total 42 teachers under Dinas Pendidikan Aceh have been trained in Problem Based Learning in Mathematics, Physics and English.

Other TED’s international training programs include:

- Development of Learn & Work Assignments, Bandung, Indonesia
- Development of Learn & Work Assignments, Oman
- Teaching Supervisors Training Programme, Banda Aceh, Indonesia

TED also organizes study visits for international organizations to learn about Malaysian best practices in the educational and training sector. TED has successfully conducted study visits for senior ministry personnel from various countries including Bhutan, Iran and Sri Lanka.
