

Overview

The Students Affairs Section offers a comprehensive range of student development and career services to all students and alumni. Students and Alumni members can stay abreast with the services offered at the institute. Apart from assisting students for job placement, we also provide assistance to students who wish to further their studies either locally or abroad. The services available for Career & Education Development are:

- Student Development Activities
- Sports & Recreation Activities
- Career Guidance
- Job Placement / Recruitment Drive
- Alumni
